3.5“ Mobile Rack for 1x 2.5” SATA HDD

Description

This Delock Mobile Rack is designed for external or internal connection of a 2.5“ SATA HDD. Place the HDD directly into the frame and connect it either externally to a free USB port or internally to SATA. The dimension of the frame complies to a standard 3.5” HDD. Thus you can install the frame into a 3.5” slot as well as into a 5.25” mobile rack.

Ref. 47198
EAN 4043619471980
